

4 DEC 1953

The Clandestine Services Operations
Training Committee

1. A Clandestine Services Operations Training Committee has been established as a CS element responsive to the DD/P through the DDP/OPSER. The mission of this committee is to provide guidance and assistance to the Director of Training for the purpose of updating and increasing the effectiveness of basic operations training, in particular the Operations Familiarization Course, and the Phase I, Operations Course.

2. The committee will be composed of the following CS personnel:

25X1A

3. The functions of the Clandestine Services Operations Training Committee are as follows:

25X1A

a. Visit [redacted] once each year for an in depth briefing and review of the training content and effectiveness of the Operations Familiarization Course, the Phase I Operations Course and other Operations Training, as required.

b. Report to the Deputy Director for Plans by 30 September each year the state of effectiveness of basic operations training.

c. Recommend to the Director of Training, through the Deputy Director for Plans, steps to be taken by the CS and OTR to update and improve the effectiveness of operations training.

- 2 -

d. Develop and recommend to the Director of Training through the DDP standards and objectives to be achieved in CS operations training.

e. Fulfill other CS operational training review and evaluation requirements as requested by the Deputy Director for Plans.

25X1A

Deputy Director for Plans
